Division of Building Safety  
"Board Room"  
1090 E. Watertower Street  
Meridian, Idaho 83642  
(208) 334-2183

**AGENDA**

**August 11, 2004**

**Please note the following time schedule is tentative pending board action.**

---

7:30 a.m.      Call to Order - Stephen Keys, Chairman  
The Idaho Electrical Board wishes to solicit public and industry input on changing the requirements for an electrical contractor's license. Currently, the rules require the applicant to be a supervising journeyman electrician; the proposed change would require the applicant to be a supervising master electrician.
